

# Engage Your Employees with the RightGift Workplace Giving Program

Spotlight: Duet Design Group

**Duet Design Group**, an interior design company based in Denver, believes that relaxing, beautiful environments increase happiness, productivity and confidence. The company's foundation aims to bring those qualities to people experiencing hardships. They partnered with **Brent's Place**, a long-term home away from home in Denver for children and families with cancer or other life-threatening illnesses, to design 15 new apartments.

Duet created wish lists on RightGift to rally their team and customers around the cause.

Duet's feedback on using RightGift:

**"RightGift is the perfect avenue to give to your favorite nonprofit."**

**"I enjoyed the opportunity to see and decide myself how our donation could be used at Brent's Place. After browsing the lists, we decided to purchase Paw Patrol bedding and bathroom supplies for a family at Brent's place. The entire process was easy, and extremely rewarding."**

**"We loved how easy it was to give with the RightGift wishlist! We knew we were donating items that were actually needed, and got to choose exactly what our money was being used for."**
